

Knox Soil & Water Conservation District

Drill Rental Form

Said operator agrees to cooperate with Knox SWCD in scheduling timely planting with due consideration to other users and the weather conditions.

The undersigned operator:

- Hereby agrees to use the equipment immediately, weather permitting, and upon completion of work, agrees to immediately notify the Knox SWCD at 393-6724 or 393-6725.
- Shall assume full liability and responsibility for damage to or damage caused by said equipment while being used or under control of the operator (normal wear and tear excluded). Should the drill be damaged while in possession of the undersigned operator and should said equipment be under warranty, Knox SWCD shall take full advantage of any warranty rights to have said equipment replaced or repaired.
- Shall report immediately to the Knox SWCD any damage to the drill.
- Shall maintain liability insurance during the time said operator uses or possesses said equipment pursuant to this agreement in the amount of \$100,000/\$300,000 or \$300,000 combined single liability.
- Will hold the Knox SWCD, its representatives or agents harmless for any loss, damage, personal injury, or liability resulting from the use of said equipment and shall indemnify the Knox SWCD of any loss or injury sustained.
- Shall not exceed 25 MPH speed on the highway while transporting drill.
- Shall return the drill in good condition, free of mud and debris to the next operator or at Agriculture Service Center during their regular business hours; which are Monday thru Friday 7:30-5:00. A \$200 clean-up charge will be added if this condition is not met.
- Shall report to the Knox SWCD the acreage meter reading before and after using the drill.
- Shall be responsible for transporting the drill to and from the Agriculture Service Center or appropriate operator.
- Shall use a vehicle of adequate horsepower with a heavy duty extended hitch to transport the drill. The drill weight is approximately 10,100 pounds.

RENTAL RATE: \$10.00 per acre based on the meter reading of the drill (a \$150 per day minimum service fee may be assessed for late returns)

CONT. ON BACK

PAYMENT: Due within 30 days after return of the drill; a 2% finance charge per month will be added to all late billings not paid within 30 days of statement date. All accounts past due in excess of thirty (30) days beyond the initial payment due date shall be forwarded to the Knox County Prosecutors Office for appropriate action on collection. Upon approval by the SWCD Board of Supervisors, this action may be delayed where special arrangements for payment of debt have been made with the board or their designated representative. Such arrangements may include but are not necessarily limited to; payment of account in regularly scheduled installments (where late payment would revert automatically to above forwarding process), assignment of proceeds from a current USDA crop subsidy program in an amount equal to the original amount due, or by written agreement with a recognized commercial or federal lending agency participating in a guaranteed lending program. Any individual who has been 90 days past due, or more, during the past two year period must place a deposit of \$200.00 with the Knox SWCD prior to renting equipment. The amount of the deposit will be applied to your current rental fee once you have concluded the use of the equipment. In the event that you do not, or cannot use the equipment or do not use it for sufficient acres to utilize the entire deposit, a refund check will be issues in the name of the person who placed the deposit.
